ART TOUR COMES ALIVE

Public art helps define an entire community's identity and reveal its unique character. It can make strangers talk, children ask questions, and calm a hurried life. Beyond its enriching personal benefits, public art is a true symbol of a city's maturity. It increases a community's assets and expresses a community's positive sense of identity and values. It helps green space thrive, enhances roadsides, pedestrian corridors, and community gateways; it demonstrates unquestionable civic and corporate pride in citizenship and affirms an educational environment. A city with public art is a city that thinks and feels.

The City of Westerville continues to add public art in spaces for citizens to enjoy including sculptures, murals and artwork. This summer, the Parks and Recreation Department is holding a Public Art Tour on Sunday, June 28 that will encompass the existing public art installations along with the newest additions to the annual Midwest Sculpture Initiative (MSI), the Cobert C. Collins collection, memorial sculptures and murals. The tour will begin at the Amphitheater at Alum Creek

Enjoying a warm day while visiting the Challenger sculpture at the Community Center.

Park North; 221 W. Main St at 3:30 p.m. A tour guide will accompany participants to many sculptures throughout the City and will provide interesting facts about each. The tour will complete at the Amphitheater where there will be a light meal available while participants enjoy the stylings of Dwight Lenox during the Sounds of Summer Concert Series. There will be some walking involved so dress comfortably. Limited seating is available for the tour. Registration is required.

ASIAN LONGHORNED BEETLE NEW THREAT TO POPULAR TREES

TreeTalk articles are presented by the Westerville Shade Tree Commission.

Insects have long posed a threat to trees and vegetation, but some are more destructive than others. Over the past few years Westerville, along with many other communities have fought the Emerald Ash Borer (EAB) through preventative measures and by removing trees impacted by the insect. Now as the focus on the EAB has diminished a new bug has appeared on the scene threatening even more trees prevalent in Ohio.

The first Ohio report of the Asian Longhorned Beetle (ALB) was in June 2011 in Clermont County. Ohio was the fifth state discovered to have an infestation of the insect. However there is hope as it was successfully eradicated in Illinois and in parts of New Jersey. Efforts have led to the pest being controlled in New York and Massachusetts. Trees favored by the Asian Longhorned Beetle are predominantly maples, but infestations have also been discovered in horse chestnuts, poplars, willows, elms, mulberries, black locusts and other species.

Damage from ALB is done by the larvae that burrow deep into the trees to feed on its food and water.

Once the larvae mature into beetles, they burrow out of the tree leaving holes about the size of a ball-point pen in diameter. The mature beetles emerge starting in late May and continue through October. However the peak time for this to happen is in July. Infestations can be detected through several signs. First are the exit holes as mentioned above. These will often be in the trunk and in larger branches of the crowns of infested trees. Other signs include sap oozing from exit holes and coarse sawdust on the ground or on lower branches.

Mature beetles range from 0.75-1.25 inches long, with very long black and white antennae. Its body is glossy black with irregular white spots. To report signs or symptoms of ALB, please call the Ohio Survey Program toll free at (855) 252-6450.

DON'T FORGET! **Hydrant Flushing**

Hydrant Flushing starts in the City of Westerville on Sunday, April 26, 2015.

All hydrants are flushed once a year to help clear the water lines of particulates that may build up over time. Crews also check the hydrants and valves for any operational issues which need to be addressed in order to keep the hydrants in good working order.

For a complete schedule visit www.westerville.org/publicservice.

THE SHADE TREE COMMISSION

The Shade Tree Commission meets the second Wednesday of each month, meetings are open to residents and the public. Information on the Commission can be found online at www.westerville.org/boardsandcommissions. Residents can also contact the Parks and Urban Forest Manager at (614) 901-6598 or matthew.ulrey@westerville.org for information on trees.

KEEPING WESTERVILLE'S URBAN FOREST CANOPY ALIVE:

THE CRABAPPLE MANAGEMENT PLAN

Westerville, a Tree City USA designate, has a glorious tree population. The spring is a particularly spectacular time in Westerville with its flowering species, one being the Flowering Crabapple. By summer, the disease apple scab will leave the Flowering Crabapple population looking sickly.

Although the disease does not kill infected trees outright, these repeated defoliations over the years can reduce the trees vigor, growth and make it more susceptible to disease and ultimately death. Apple scab is caused by a fungus, *Venturia inaequalis*. The symptoms are most commonly observed on leaves, but fruit, blossoms, and all parts of the tree can become infected. As leaves mature, brown to dark green spots appear near the veins of the leaves in the spring. Leaves ultimately become distorted, turn yellow and drop off in early summer.

Applescab has a recurrent pattern. As shown in the diagram, this hearty fungus survives the winter in infected leaves that have fallen under the trees. During wet and rainy periods in the spring millions of spores are released into the air and are carried by the wind to newly developing leaves. Although this mostly occurs in April to June, infestations can occur throughout summer and fall. The spore's effects act quickly, and depending on weather conditions, symptoms (lesions) can show up as early as nine to 17 days.

Westerville sees the effects of this disease each summer, so what can be done? Chemical treatments are available to slow the disease, however it requires multiple applications throughout the year during periods of moisture or high humidity. Cost for this treatment is high, as is the time involved to complete the task.

The Parks and Recreation Department, with the support of the Shade Tree Commission, has developed the Crabapple Management Plan as an approach to remove and replace these trees.

PURPOSE

The implementation of the Crabapple Management Plan will help reduce the appearance of leafless trees caused by the apple scab disease. By taking a proactive approach with this plan, it is hoped that new trees can be planted in their place and continue to improve the City's urban forest canopy.

SCOPE

This plan covers all crabapples that are currently growing along streets throughout the City of Westerville. The Department's Urban Forestry Division is responsible for the implementation of this plan and seeing that its provisions are carried out.

ACTION STATEMENT

Residents may make requests directly to the Urban Forestry Division of the Parks Maintenance Department (614) 901-6598, for proactive removal of crabapple trees from the City's tree lawn. Individual requests may not be made for removal of trees from an entire street but only for their own property.

Crews will remove up to 100 Crabapple trees annually as part of this plan making sure resources continue to be available for replacement trees. As part of this management plan, tree replacement is required providing there is adequate spacing.

This plan is expected to continue until a majority of the trees that are highly susceptible to apple scab are removed. The tree inventory will be used to keep a dated record of each removal request.

REPLACEMENT TREES

All removed Crabapple trees will be replaced, given adequate spacing, with an approved species of tree as listed in the Street Tree Master List. This will enhance the neighborhood, ensure the diversity of trees and maintain or improve the general health of the urban forest.

CONTINUING PLAN EVALUATION

The Crabapple Management Plan, with assistance from the Shade Tree Commission, will be evaluated as needed for any necessary revisions.

WESTERVILLE SUPPORTS ENERGY EDUCATION

The Ohio Energy Project (OEP) has been serving teachers, students, families and partners since 1984. As Ohio's leading energy education experts, they provide complete, objective, comprehensive information on:

- Sources and forms of energy
- Energy efficiency and conservation
- Economic and environmental impact of energy use

Over the years, their educational programming has expanded to include the Energy Bike, leadership programs for students, energy careers education and home energy efficiency.

This past winter, the OEP held its quarterly Board meeting at Otterbein University in conjunction with Energy Fairs being held at Westerville Schools. The City of Westerville Electric Utility Manager, Andy Boatright, took this opportunity to speak to the group and take a ride on the Energy Bike.

OEP is the state affiliate of the National Energy Education Development Project (NEED). OEP partners with NEED to provide Ohio educators with excellent curriculum, resources and programs. The Ohio Energy Project is funded through local grants and partnerships with businesses, governments and foundations. www.ohioenergy.org.

WESTERVILLE PARKS

Getting Even GREENER

Along with the soft grass and tall trees, you can now experience a greener lifestyle when visiting a City of Westerville park. The Parks Maintenance Department has installed new blue recycling receptacles in 12 parks, adding to three parks currently using green recycling receptacles.

(Sports Complex, Hanby Park (Train Depot) and Hoff Woods Park.)

New blue recycling receptacles are planned in the following parks:

- | | |
|------------------------------|--------------------------------|
| Alum Creek North Park | Metzger Park |
| Alum Creek South Park | Millstone Creek Park |
| Hannah Mayne Park | Olde Town Park |
| Heritage Park | Spring Grove North Park |
| Highlands Park | Towers Park |
| Huber Village Park | Walnut Ridge Park |

“We are fortunate Rumpke accepts co-mingled or single stream material, meaning that we do not have to sort the recyclables just like the residential curbside collection,” said Doug Vineyard, Parks and Facilities Superintendent. “But it does have to be acceptable material.”

The receptacles can accept PLASTIC BOTTLES, ALUMINUM CANS, GLASS and PAPER mixed together. If the material in the receptacle is contaminated with non-recyclable items it cannot be picked up and processed as recycling and must be diverted to the trash flow into the landfill. Some items that cause the contamination are pet waste, food waste and construction debris. These items may be disposed of in the regular trash receptacles found in the parks.

“Despite our best efforts to be green and encourage a sustainable lifestyle for the community it does not work if the recyclable material is not deposited correctly,” said Vineyard.

WHY RECYCLE?

Americans throw away enough garbage every day to fill 63,000 garbage trucks. It is estimated that at least half of that waste could be recycled. Of the items that could be recycled, there is enough aluminum to rebuild the entire commercial air fleet every three months, enough steel to reconstruct Manhattan, and enough wood to heat five million homes for 200 years. (www2.epa.gov)

NEED ADDITIONAL REASONS?

Recycling:

- Saves money
- Improves efficiency
- Reduces energy use
- Reduces water use
- Saves landfill space
- Improves air quality
- Improves water quality
- Reduces the rate of global warming

Today, this country recycles 34.5% of its waste, a rate that has doubled during the past 20 years.

While recycling has grown in general, recycling of specific materials has grown even more drastically: 70% of all paper, 34% of all plastic bottles, 55% of all aluminum cans, and 70% of all steel cans are now recycled. (www2.epa.gov)

ALWAYS ROOM FOR IMPROVEMENT

Even if you recycle your bottles, cans, paper and cardboard on trash day, you can always do more. The City of Westerville Parks and Recreation Department is offering a free Shredding Day on Saturday, April 18 from 9 a.m. - 12 p.m. at Hoff Woods Park, 556 McCorkle Blvd and the Public Service Department offers a free Household Hazardous Waste drop-off on Saturday, September 15. Visit www.westerville.org for more information.

Recycling one aluminum can saves enough energy to run a 100 watt light bulb for 20 hours.

Recycling one aluminum can saves enough electricity to run a TV for three hours.

Recycling one aluminum can produces enough power to listen to a full album on your iPod.

Recycling 100 cans could light your bedroom for two whole weeks.

Americans use 100 million steel cans and 299 million aluminum beverage cans every day.

Recycling one ton of paper saves the equivalent of two barrels of oil.

Recycling one ton of newspaper saves enough electricity to run a TV for 31 hours.

Recycling one ton of paper saves 7,000 gallons of water.

A FEW FACTS ON RECYCLING

Recycling one ton of plastic saves the equivalent of 1,000-2,000 gallons of gasoline.

Recycling a pound of steel saves enough energy to light a 60-watt light bulb for 26 hours.

Recycling one glass bottle or jar saves enough electricity to light a 100-watt bulb for four hours.

Running a faucet for five minutes uses up enough energy to run a 60-watt light bulb for 14 hours.

One drip per second from a faucet wastes 540 gallons of water a year.

GYPSY MOTH UPDATE

The Ohio Department of Agriculture (ODA) has recently completed an analysis of Gypsy Moth populations in Central Ohio, including the Westerville area. Based on their findings, it has been determined that treatment is needed. The ODA, in cooperation with the United States Department of Agriculture (USDA), Forest Service I Forest Health Protection I Gypsy Moth Slow the Spread Program, will be conducting a Gypsy Moth Treatment Project in early to mid-June at the beginning of the mating season. This treatment does not kill the Gypsy Moth, but reduces the population in the area.

WHAT DO YOU NEED TO KNOW

- All treatments will be applied from an aircraft flown approximately 50 to 100 feet above the tree tops.
- Disrupt II is specific to gypsy moth and is not harmful to any other species, including humans, threatened or endangered species, or beneficial insects and predators.
- The exact time and date of treatment applications in the area cannot be determined in advance. The timing of treatments is dependent on insect development and environmental conditions.
- Updated information will be placed on the City website, www.westerville.org when it comes available.

UPTOWN PARKING RESTRICTIONS FOR 2015

Heading to 4th Fridays, out to dinner in Uptown or doing a little shopping this summer? Construction on the City Hall parking lot will continue through late fall but parking is still available throughout Uptown. Lots can be accessed on E. Home St, behind the buildings from E. Home St. to E. College Ave., as well as along the Brickwalk shops. On the west, lots are available behind the buildings from W. Home St. to W. College Ave. with limited parking behind City Hall. On-street parking is available throughout the Uptown area.

REGISTER TODAY: EMERGENCY NOTIFICATION PORTAL

Westerville residents may still register their contact information and preferences via a website portal managed by the Westerville Emergency Communications Division. Commonly known as the “reverse 9-1-1” system, this site provided residents the opportunity to self-select and update their contact information in the event of emergencies.

Residents who visit <https://westerville.onthealert.com> or the City website - www.westerville.org - can securely register their mobile phone number, activate text messaging capabilities and assign their home address for local/neighborhood to receive emergency alert notifications.

Alerts from this system are based on true emergencies, such as disaster notification, public safety information and/or alerts pertaining to missing children, hazardous spills and major power outages. Content is provided by voice message or text, depending on the preferences selected during registration. Subscribers’ information will not be utilized or accessed for any other purpose.

“This site expands our capabilities when it comes to communicating with residents during an emergency,” said Holly Wayt, Westerville Communications Manager. “This makes our process of reaching people in an emergency situation not only more reliable and user-friendly but also more targeted in terms of how to get information out quickly.”

Residents without Internet access may sign up by providing information in person at the Westerville Division of Police, 29 S. State St.

People who work in Westerville but do not live in the city or parents who have children in the Westerville City School District may also use the system.

“It makes sense for someone who spends a significant portion of their day in Westerville to be in the system so that they too can get alerts if there’s an emergency,” says Wayt.

To sign up or get more information, please visit www.westerville.org.

Westerville Public Art

Art Comes Alive this June with the 2015 Public Arts Tour

The Parks and Recreation Department is holding a Public Art Tour on Sunday, June 28 encompassing the existing public art installations along with the newest additions to the annual Midwest Sculpture Initiative (MSI), the Cobert C. Collins collection, memorial sculptures and murals.

The tour will begin at the Amphitheater at Alum Creek Park North; 221 W. Main St at 3:30 p.m. Tour participants will be transported by van to each sculpture complete with a tour guide giving important information about the program, designer, sculptor, and process. The tour will complete at the Amphitheater where there will be a light meal available while participants enjoy the stylings of Dwight Lenox during the Sounds of Summer Concert Series. There will be some walking involved so dress comfortably. Limited seating is available for the tour. Registration is required.

2015 ARBOR DAY PHOTO CONTEST

In celebration of the 39th year of being Tree City USA®, the Westerville Parks & Recreation Department, in partnership with the Westerville Shade Tree Commission is pleased to announce the 2015 Arbor Day Poster Contest.

The contest is open to third to fifth grade students in Westerville which includes Westerville City Schools and home-schooled students. **NEW THIS YEAR! CONTESTANTS MAY ENTER EITHER A DRAWING OR PHOTOGRAPH.**

The slogan for this year's contest is:
"TREES ARE TERRIFIC ... FROM EVERY ANGLE!"

Entry packets are available online at www.westerville.org/arborday or at the Community Center (350 N. Cleveland Ave.) One grand prize winner will be chosen to have a tree planted in their name either at their school or favorite park in the City of Westerville. First place winners through honorary mentions will also be selected and will receive awards. All participants will receive a certificate.

Deadline for entries is April 20. All participants and their families are invited to the awards ceremony at Everal Barn (60 N. Cleveland Ave.) on Friday, April 24, 9 a.m. RSVP to toni.schorling@westerville.org with Arbor Day Ceremony in the subject line.

For additional information contact the Urban Forestry Manager at (614) 901-6598.

SEUSSICAL

The City of Westerville Parks and Recreation Department and Otterbein University will present the Westerville Civic Theatre production of "Seussical," Thursday, July 30 through Sunday, August 2, 2015.

Actors ages seven and older are invited to audition for the fully staged musical production which will be led by Otterbein alumni and staff. Opportunities also exist for set design and construction, backstage crew and orchestra pit. Audition packets are available at the Westerville Community Center front desk (350 N. Cleveland Ave.)

Registration price: \$125 for youth and \$75 for adults (if cast) and includes all rehearsal materials and instruction.

Don't miss the fun of this local production. For more information please contact Program Leader at (614) 901-6575 or Program Manager at (614) 901-6512.

7118 Mt. Royal Ave

Tickets may be purchased for \$10 in advance at the Westerville Community Center 350 N. Cleveland Ave.

A PLAN FOR

START HERE

The Parks, Recreation and Open Spaces Master Plan was updated and adopted by Westerville City Council in 2014. When voters said “yes” late last year, the wheels started to turn in the planning and development of the next generation of the Westerville parks and recreation system.

PRIORITIES

PATHWAYS:

Expand the Bike & Walkway (B&W) Recreational Pathway System

ADVENTURE RECREATION:

Create Recreation and Adventure Recreation Opportunities along Alum Creek Waterway and Otterbein Lake

SPORTS FIELDS:

Develop Additional and Improve Current Sports Fields

NEIGHBORHOOD PARKS:

Improve and Enhance Existing Neighborhood Parks

COMMUNITY CENTER:

Expand the Community Center:

- Space to include a relocated older adult center (senior center)
- Warm water therapy pool
- Fitness and program space
- Additional gymnasium
- Track expansion

FINISH LINE

As a nationally recognized “City within a Park,” Westerville is never done making improvements and enhancing our parks and recreation system. We’re excited to start plotting the course of the new projects. You can get involved! Look for updates in future issues of this publication on volunteer opportunities and read more about PROS online at www.westerville.org/parks.

COMMUNITY

We talked to thousands of Westerville residents in focus groups and surveys to understand what residents want in the parks system for the next 20 years. This feedback became the basis for the PROS Master Plan. An Executive Summary of the Master Plan, which outlined the plan outcomes, was sent to all Westerville households.

VOTE RESULTS

On Tuesday, November 4, Westerville voters said YES to these priorities, as defined in the PROS Master Plan.

NEXT STEP

Funding for the Master Plan (from the voter-approved income tax renewal) becomes available in 2020, but work is already underway. Planning, design and development takes place years in advance, so improvements can start as scheduled. City officials also work to secure financing at favorable rates so that projects can begin when the current funding expires (2020) and the renewal goes into effect (2021).

FIVE-YEAR PLAN

The City of Westerville publishes a five-year capital improvement budget annually. The 2016-2020 plan is currently in development, and hearings with Westerville City Council take place April 11, 2015. Projects are prioritized in this process. This is the same process that yielded these projects since 1998 (with our current PROS funding):

- Westerville Community Center 2001
- Highlands Park Aquatic Center 2011
- Millstone Creek Park 2010
- Westerville Sports Complex 2001
- Everal Barn and Homestead /Heritage Park 2000
- Alum Creek Park North Amphitheater 2001
- Alum Creek South Park BMX/Skate Park 2004
- Spring Grove North Park 2002

PATH WATCH

Many citizens use the Westerville Path System daily. The Parks and Recreation Department and Division of Police are asking citizens to take responsibility for the paths they travel by assisting with the Path Watch program.

The Goal of a Path Watch volunteer is to help make our paths as safe and enjoyable as possible. The crime prevention portion enlists the active participation in cooperation with the police, reducing crime on or around the paths in the City of Westerville.

What you will gain from volunteering for Path Watch:

- Getting to know other users of the path system.
- Training to recognize and report suspicious activity.
- Implementation of crime prevention techniques.

With training and guidance from Westerville Parks and Recreation and the Division of Police, Path Watch participants will ultimately help the City by providing extra eyes and ears on our paths.

HIGHLANDS PARK AQUATIC CENTER CELEBRATES FIRST FIVE YEARS

AQUATICS

It is hard to believe that it has been five years since the grand-opening of Highlands Park Aquatic Center, or HPAC as it is known to most. Since it's opening, HPAC has seen more than 133,500 visitors come through its doors to enjoy relaxing in the summer sun, competing in diving and swimming competitions, keeping healthy and active, hanging-out with friends and learning to swim. Grandparents and grandchildren, babysitters and kids, families or friends, there is something for everyone at this grand facility.

This summer, passholders and visitors may notice a small difference: HPAC will be a little bigger than before. The Parks and Recreation Department has added more greenspace for relaxing and visiting with friends and family. This will include more chairs as well. Also available to passholders only is the opportunity to rent both the Cabana and Patio during the week for free. Yes free!

Celebratory events have been scheduled throughout the summer for passholders and visitors alike, including a fifth anniversary Luau party on Saturday, August 8, complete with games every hour, face painting, a water balloon toss, the WIBIT and so much more. There will also be a drawing for one grand prize: five-year season pass. A list of additional summer events can be found on page 27 or online at www.westerville.org/hpac.

Not a passholder? Now is the time to purchase a pass at the Community Center (350 N. Cleveland Ave.) Passes will also be available at HPAC starting on opening day, May 23, 2015 at 11 a.m.

Adult Fitness Swimming

Gain the benefits of an organized group practice while increasing your knowledge and skills with fitness swimming. This one-hour class has individual workouts ranging from 800-2500 yards. *Not for beginners.*

Infant Self-Rescue

Instructors: Molly Zook and Brian Atkinson
Certified ISR Instructors

Age(s): 6 mo - to 6-year-olds

Even children as young as 6 months can use this method should they fall into the water. Babies 6-to 12-months of age learn to hold their breath under water, turn onto their backs and float unassisted. Children 1- to 6- years-old are taught to expand this into a swim-float-swim sequence. your child will also learn how to master the ISR Self-Rescue technique when fully clothed because most water accidents happen when children are clothed. **To Find out more or to schedule your child, please call Molly Zook, Certified ISR Instructor, at (614)348-3538 or Brian Atkinson, b.atkinson@infantswim.com or visit isrstrong.com.**

SWIM DESCRIPTIONS LESSONS

Adaptive Swim Lessons

(3- to 12-years-old)

Adapted Aquatics is designed for special-needs children. This program is designed to give individuals an opportunity to experience the benefits of aquatics. With the assistance of aquatic staff, participants will work on enhancing their swimming abilities and comfort level in the water. This is a great opportunity to interact with others and have some fun! *Parents will be in the water with their child.*

Tiny Tot Swim Lessons **PC**

(6- to 24-month olds)

The Tiny Tot program is designed to develop the child's comfort level in water and readiness for learning more advanced swimming skills. Parents work one on one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

Goldfish Swim Lessons **PC**

(24 months to Kindergarten)

The Goldfish program is designed to develop the child's comfort level in water and readiness for learning more advanced swimming skills. Parents work one on one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

Guppy Swim Lessons

(3-year-olds & up)

Children must be comfortable in the water without their parents.

Water Exploration. This class is suitable for children who are beginner swimmers. Children will learn elementary swimming skills for building upon future levels. Objectives include: supported front and back floats, kicking, bubble blowing, alternate arm action and safety skills. Two-year-olds are not allowed in this class. Parents are not in the water with their children.

Tadpole Swim Lessons

(3- to 8-year-olds)

Primary Skills. Suitable for swimmers who have passed Guppy and/or can meet the prerequisites. Children should be able to submerge for three seconds, float on their back and front with support and do a supported crawl. Objectives include: independent back and front crawl and finning on back. Most students require two or more sessions before completing all objectives.

Turtle Swim Lessons

(4- to 12-year-olds)

Stroke Readiness. Suitable for students who have passed Tadpole and/or can meet the prerequisites. Children should be comfortable in 3.5' - 4' of water; float on their back and front independently, swim front crawl with arm strokes and kick for five yards. Objectives include: gliding with push off, coordinating components of the front and back crawl, elementary backstroke, treading water, bobbing, basics of diving and more.

Minnow Swim Lessons

(5- to 12-year-olds)

Stroke Development. Suitable for swimmers who have passed Turtle and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 20 yards, swim back crawl for 20 yards, tread water for 30 seconds and complete a dive from the seated position. Objectives include: deep water bobbing, rotary breathing, diving from side of pool, building endurance by swimming distances, the basics of breast stroke, side stroke, turning at the wall and more.

Porpoise Swim Lessons

(5- to 12-year-olds)

Stroke Refinement. For swimmers who have passed Minnow and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 25 yards, swim back crawl for 25 yards, tread water for one minute and complete a dive from the standing position. Objectives include: alternate breathing, elementary backstroke, dolphin kick, diving from a diving board and more.

Shark Swim Lessons

(6- to 14-year-olds)

Swimmers should be able to dive into deep water; perform the four basic swim strokes for 15 yards each and tread water for one minute. Objectives will vary according to the student's needs and level. Objectives include: approach and hurdle on diving board, enhancing strokes, butterfly stroke, flip turns, breast and side stroke turns, stroke enhancement, endurance training and diving.

Teen/Adult Swim Lessons

This class is suitable for teens and adults at the beginner level. The instructor will develop individual lesson plans for each participant. Participants will gain confidence in their swimming skills and learn safety in and around the water.

Homeschool Swim Lessons

Swim lessons are a great physical education addition for the home school curriculum. Classes will be held one day a week during school hours in the following class categories:

Homeschool I (01) 4- to 6-years-olds

Homeschool II (02) 7- to 10-years-olds

Homeschool III (03) 11- to 14-years-olds

50+ Swim Lessons

Swimming is a lifelong skill that can be learned at any age. Come join experienced instructors and learn the basics of swimming.

“ My son who is 2 ...was very nervous and cried the entire first lesson. The next lesson, Joey pulled us aside and let us play in the zero entry area and he stayed with us the entire time trying to get Cooper comfortable with the water. Cooper had a blast and by the next lesson he was loving the water. (He) definitely went above and beyond and we are so grateful and want to make sure that (he) knows how much we appreciate everything! How lucky you are to have such caring and fun instructors and what a joy for everyone who gets to experience this class! Thank you very much!

OUTDOOR SERIES CONTINUES TO EXPAND

Outdoor Explorers is one of three nature courses in a specific “Outdoor” series aimed at children of different ages. Outdoor Discoverers and Outdoor Adventurers, along with Outdoor Explorers expose kids to quality time in the parks while learning about various animals and plants that inhabit the region.

“Look what we found! What kind of animal is it?” exclaimed Josie and Vera Johnson, two participants of Outdoor Explorers.

“Those are deer tracks,” explained M.J. Smith, Westerville Parks and Recreation Naturalist.

This dedicated time to experience the natural world provides more benefits than just education. Studies show spending time outdoors can improve social skills, academic performance, stress levels and creativity to name a few.

CONTINUOUS LEARNING

“Every time Josie and Vera take this class, they get something new out of it,” said Vanessa Johnson, Josie and Vera’s mom. “They are becoming more attuned to nature, making new friends and developing a great relationship with an adult mentor.”

There are opportunities all around us in nature to learn. Part of the program is structured, but it is also vital that kids have the opportunity to ask questions, search, and play freely.

“If we didn’t take the time to pause and use the binoculars to spot the red bellied woodpecker, we may have never seen the beautiful color of that particular bird,” said Smith.

For class details on Outdoor Discoverers, Explorers and Adventurers, see pages 36 and 38 or visit the City website at www.westerville.org/parks.

WHAT CAN'T YOU CREATE WITH THIS AMAZING PRODUCT?

CREATIVE ARTS

We have all used it. We have even joked that it can fix any problem. It can event be a purse, wallet, backpack or even a prom dress! Confused?

It is duct tape of course!

Duct tape has been around since World War II when the need for a strong, flexible yet waterproof tape could repair or seal just about anything, plus be easy to carry. The result was today's duct tape, or as one company fondly calls it - Duck Tape.

After the war, the official army green color was quickly changed to a more neutral gray, but today you can find it in any pattern or color imaginable. There is even a section for this versatile tape at the local craft stores.

So - what does this have to do with Parks and Recreation? Classes of course!

New this quarter, Duct Tape Creations will answer the question, What can't you do with duct tape? Using colors and fun patterns, participants will learn to make anything from a wallet to flowers.

For information on dates and times for this fun creative class, see page 43 or visit the City website at www.westerville.org/parks.

LOG ROLLING COMES TO WESTERVILLE

Log rolling has a history that dates back more than 100 years. As America was growing, the need for lumber grew as well. Lumberjacks transported logs down local waterways and frequently jumped from log to log on the rivers to keep wood moving downstream. After bringing their logs downriver, the lumberjacks would have a friendly competition to see who can balance on a log the longest while it is still rolling in the river.

So what does this have to do with Westerville?

Log rolling has come to the Parks and Recreation Department in the form of classes.

“We’re always looking to bring new adventure programs to the Community Center,” said Darcy Baxter, Program Manager for Westerville Parks and Recreation.

Scan this QR code with your smartphone or camera phone to be instantly connected to the Programs/Classes page of the website.

HEALTHY ACTIVE LIFESTYLE

Beyond the fun factor, log rolling proves to be a well-rounded workout, improving balance, coordination, endurance and foot speed. It also strengthens mental focus and concentration.

“Since you are having a good time, the physical fitness aspect of log rolling sneaks up; and you end up getting a really good workout. Your legs are constantly moving while your core is stabilizing the rest of your body,” explained Baxter.

Classes officially began in spring 2015 at the Community Center, but because of the overwhelming demand, additional classes as well as introductory courses have been added for the summer at Highlands Park Aquatic Center.

For information on available classes, see page 58 or visit the City website at www.westerville.org/parks. Visit acitywithinapark.com, the Parks and Recreation blog, for a complete story on Log Rolling.

PUNCH CARD

The Westerville Senior Center has adopted the "Fit Pass Punch Card" for all Fitness classes. Instructors will 'punch' your Fit Pass at the beginning of each class.

Fit Passes can be purchased at the Senior Center front desk for either \$20 or \$30 each.

Punch card options:

A \$20 Fit Pass will have 25 'punches' on it, equaling \$0.80 per class.

A \$30 Fit Pass will have 40 'punches' on it, equaling \$0.75 per class.

These cards are not specific to an instructor or class and may be used for all fitness classes held at the Senior Center and the Recreation Program Center (64 E Walnut St.) A complete list of eligible classes is listed on the web and wherever you see the punch icon. There are no refunds for lost or unused cards. Cards do not expire.

WESTERVILLE PARKS AND RECREATION

COMMUNITY CENTER

The 96,000-square-foot facility, opened November 2001, was designed to bring the outside in. When residents and visitors enter the rotunda they are treated to a panoramic view of many of the features of the Center including the track and fitness room, gymnasium, climbing wall, indoor leisure pool, indoor playground, and teen room. The information desk serves as the central location for visitor's questions, registration and pass sales. Residents have the option to pay daily admissions, purchase a pass for individual features of the facility or purchase an ultimate pass, which is the most economical and includes admission to all features.

The rotunda leads to two wings, an activity wing and a program wing. Just a short trip down the north corridor takes visitors to the activity wing and to a checkpoint station where daily admissions are taken and passes are scanned for the fitness room, aquatics center, track and gymnasium. Just down the south corridor resides the program wing featuring a cluster of multi-functional rooms designed to host a variety of events. The program wing has six reservable rooms and is where recreation and fitness classes are conducted, child care is housed, and rental facilities are located. The Community Center also offers meeting and gathering space.

Our staff has been proud to serve the hundreds of thousands who have benefited from this facility.

POLICIES & PROCEDURES

Fair Share Policy

The City of Westerville Parks and Recreation Department is largely financed through City Income Tax dollars. Therefore, to be considered a "Resident" in our registration process, you must live or work full time within the corporate City Limits of Westerville or be a spouse or child of such person. "Non-resident" applies to all others. Even though you may have a Westerville mailing address or live within the school district, you may not live within the Westerville City Limits. We ask for your understanding when registering.

Resident/Non-resident Rates

To receive discounted resident rates, Westerville residents will be required to present identification such as a valid driver's license, photo ID card, utility bill or pay with a check with an address printed by the bank. Individuals employed full time in the Westerville City Limits will need to provide proof of employment on company letterhead with the signature of the personnel director or president or a current paycheck with their employer's name and address along with a valid driver's license. If a household has been granted residency status due to providing proof of Westerville income tax withholding and it is later revealed that a full refund of these taxes occurred, the City of Westerville reserves the right to collect the difference between the resident fee paid originally for the activity or pass and the appropriate non-resident fee. A \$5.50 resident ID card may be purchased for registration and admission convenience.

Non-resident Fee Policy

The non-resident fee is an additional \$5 to any program \$20 or less and \$10 for any program more than \$20 and less than \$60 and \$15 for any program \$60 or more. Seasonal and Annual Pass fees, daily admission fees and rental fees are 50 percent higher for non-residents.

Payment By Check

Checks should be made payable to the "City of Westerville." There will be a \$31 service fee for all checks not honored for any reason by any bank.

Scholarship Assistance Programs

The Westerville Parks Foundation offers scholarships for activities and passes to any age person who lives in the Westerville corporate City limits. These scholarship programs are designed to assist residents who may be experiencing a financial hardship with fees. Some restrictions may apply. Interested individuals may obtain scholarship applications at the Westerville Community Center.

Photo/Video Release Policy

By registering for any Westerville Parks and Recreation program, you agree to allow publication of photos/videos taken at any program, event or facility associated with the City of Westerville Parks and Recreation Department.

Age Policy

Children nine and under must be accompanied by an adult at all times while in the Community Center.

Access to All Americans with Disabilities Act

This landmark civil rights legislation went into effect Jan. 26, 1992. It is a significant step forward to make our society's services and opportunities fully available to all Americans by combatting barriers and prejudices that confront those of us with disabilities. The City of Westerville is committed to implementing the intent and spirit of this legislation. Those who may need assistance in order to enjoy our programs should contact the Administrative Office at (614) 901-6500 at least 2 weeks in advance of the program to discuss any necessary accommodations. [TDD line: (614) 901-6413.

Persons with disabilities are invited to participate in all programs offered through the Westerville Parks and Recreation Department. When registering for a program, we ask that participants requiring special assistance mark the designated box on the registration form or add a note to your class when registering online.

Pass Refund Policy

All Community Center PASSports, Highlands Pool Passes, Sprouts Wait Room Cards and Gift Certificates are non-refundable and non-transferable.

Hardship Termination Criteria

The following criteria must be met to qualify for a hardship refund:

A job transfer outside a 25-mile radius of the Community Center. PASSholder or class registrant must provide a letter from his/her Human Resources Department stating that he/she is being transferred including forwarding address and phone number for verification.

In case of medical condition the following options are available:

A Community Center PASSholder or a class registrant may receive a refund if he/she provides a letter from a physician stating that they are on a medical restriction of an indefinite nature.

A Community Center Pass or Senior Center Membership can be put on hold and the expiration date extended if the participant provides a letter from a physician stating how long they are on a medical restriction.

A \$5.00 transaction fee shall apply to all hardship refunds in addition to the prorated amount.

Notice to Participants

Participants must recognize that all classes/activities of a physical nature involve some risk, and by registering for a class/activity of this nature there is an assumption of risk by the participant. The City of Westerville Parks and Recreation Department is dedicated to providing safe facilities and equipment as well as qualified staff for all participants. Every effort is made to ensure participant safety and to provide first-class recreational activities, facilities and parks. In the event of a serious accident or illness, it is the policy of the City of Westerville to: (1) contact the Westerville Fire Department Paramedics to perform first aid and, when necessary, recommend transport of the victim to the hospital; (2) reach the parent, guardian or emergency contact as soon as the situation allows.

Cell Phone Policy

The use of cell phones in any City of Westerville Parks and Recreation Restroom, Locker Room, Fitness Area or Pool is not permitted.

Program Refund Policy Cancelled Classes

If a class is cancelled or closed, you will receive a full refund in the form of a check. There will be no cash or charge account refunds. Refunds take approximately three weeks to process.

REFUND BEFORE THE CLASS BEGINS

Refunds will be made only before the start of the class for one of the following circumstances and a \$5.00 transaction fee will apply:

- When the refund is requested at least seven (7) days in advance (except where otherwise noted) of the first class meeting provided it does not reduce the participation level below the required minimum.
- When documentation is presented for an approved hardship situation.

REFUNDS AFTER THE CLASS BEGINS

- Refunds will be made only when documentation is presented for an approved hardship situation.
- A \$5.00 transaction fee will apply.

CUSTOMER SATISFACTION GUARANTEE POLICY

In the event you are not satisfied with a program or service, The Westerville Parks & Recreation Department shall offer the following options:

- Repeat the program at no charge - or
- Receive a gift card that can be applied to any other program - or
- Receive a refund (*processing takes approximately 2 weeks.*)

NOTE: Adult sports leagues, camps, trips, consumable program supplies, daily admissions, annual passes, facility rentals, special events or tickets to certain events are exempt from the Satisfaction Guarantee.

Camp Refund Policy

Camp Peanut, Camp Coconut and Camp Walnut and Summer Escape Travel Camp refund policy will be as follows: A \$25 transaction fee will be processed per week, per child for every refund issued. All camp refunds must be submitted 30 days before the start of the camp session the household is looking to get refunded for. For more information, call the Program Supervisor at (614) 901-6543.

Cancellation of Activities

Due to Inclement Weather

All daytime (before 5 p.m.) programs will be cancelled when Westerville Schools are closed due to inclement weather. Cancellation of evening programs (after 5 p.m.) will be determined by 4 p.m. On Saturdays, information will be available on daytime classes beginning at 8 a.m. and on evening classes beginning at 4 p.m. The Department will issue cancellation announcements on WBNS 10-TV and radio stations 94.7 FM and 610 AM. Information will also be available on the SPORTS/INCLEMENT WEATHER HOTLINE.

Due to Low Enrollment

The City of Westerville Parks and Recreation Department reserves the right to cancel classes due to low enrollment.

HIGHLANDS PARK AQUATIC CENTER

245 S Spring Road, Westerville, Ohio 43081
(614) 901-POOL (7665)

OPENING DAY
**Saturday
May 23**

HIGHLANDS PARK AQUATIC CENTER CLOSURE POLICY

In an effort to ensure the safety and security of everyone, we ask that all participants in the Monday - Friday swim lessons, adult swim, and toddler swim gather their belongings and exit the facility before we reopen for our regular hours of operation. Any participant that paid a daily admission in the morning session that wishes to return, may reenter through the passholder line. We appreciate your understanding.

FAMILY GUEST PASS

As an additional benefit to pool pass holders, each household has the option of adding up to two additional guests to their season pass. Guest passes are unnamed passes attached to the primary household for which the season pass was purchased. The pass may only be used once per day, and the primary household is responsible for the conduct of their guests while in the facility.

POOL RENTALS

Private Pool rentals are available at Highlands Park Aquatic Center on Sunday evenings from 6:30 - 8:30 p.m. Call the Aquatics Manager at (614) 901-6510 for more rental information.

LIVE WELL

LIVE W.E.L.L. WESTERVILLE

This community-based initiative provides programs and resources for those who live and work in Westerville. The W.E.L.L. acronym stands for Wellness, Education, Leisure, and Lifestyle. It's about becoming aware and making choices towards a more successful and fulfilling quality of life. Also, it's about providing programs and resources in the community to assist in the cultural shift of becoming healthy and active. This initiative is meant to engage the community to participate in structured and unstructured physical activity for all ages and abilities. Look for the LIVE W.E.L.L. Westerville symbol throughout the recreation guide on programs and services that will help make our community healthy!
